Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for **Lake County ACE Project** in fiscal year 2024. The entity to receive funding for this project is **U.S. Army Corps of Engineers**. The funding would be used **to conduct a Feasibility Study for alternatives for restoring Flint Creek Watershed**. The project is an appropriate use of taxpayer funds because **Flint Creek was illegally dammed in the late 1960s by a then-existing developer who sought to create an artificial lake and the replaced culverts will improve public safety, enhance creek conveyance, and reduce the occurrence of floods**.

The project has a Federal nexus because the funding provided is for purposes authorized by Sections 206 of the Water Resources Development Act of 1996, as amended.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Mike Quigley".
